

Teacher Recommendation Form for Youth Volunteer Applicants

Student Name: _____

This student is applying to Florida Oceanographic's Youth Volunteer program. Students that are interested in pursuing a career in environmental education or the marine sciences are encouraged to apply. Successful applicants must show the desire and ability to teach others, a sincere interest in environmental education and the maturity to work independently. Students should be able to self-monitor, take initiative, stay on task, and demonstrate responsible, professional behavior.

We would appreciate it if you would take a few minutes to evaluate your student (required for his or her application), and return this 2-page form by mail to Florida Oceanographic. The above student should provide you with a stamped envelope addressed to Florida Oceanographic.

Please rate on a scale of 1-5.
