**EXECUTIVE DIRECTOR
& CEO**
Mark D. Perry

Florida Oceanographic Society has been inspiring environmental stewardship along the Treasure Coast since 1964. With your help, we can continue to fulfill our mission by expanding our education, research, and advocacy efforts. We are lucky to be a part of this community and want to do our part to protect and preserve the environment we all appreciate.

This year, our annual fundraiser, *Oceans Alive: Treasures of the Sea*, includes a community-wide, online auction, scheduled to run March 22nd – 26th, 2023. We hope you will choose to be a part of this special event by donating an item to include in this virtual auction!

Please act today to support environmental stewardship and clean waterways. This is our main fundraising event of the year, and we truly appreciate your contributions! All auction item donors will be recognized on the event webpage so that our community and online participants know who to thank for their support and generosity. If possible, we'd like to receive donated auction items *by March 8, 2023*. **We kindly ask that gift certificates are valid for at least 6 months after the event date so that our supporters will have ample time to enjoy them.*

Please contact Michelle Byriel at (772) 225-0505 ext. 104 for further information or to donate an item. Find out more about us and our mission at *FloridaOcean.org*.

Thank you in advance for your consideration and support!
Sincerely,

Abigail Flood
Director of Development and Marketing
