Classy Creatures

Learn about the "locals" that call our waters home. Get up -close and personal as we explore different plant and animals groups and their unique characteristics.

Ages 5 - 7 | 9am-3pm | June 1-5

Ages 8 - 11 | 9am-3pm | June 15-19 and July 13-17

Island Explorers

Get into science as we conduct daily experiments to understand marine life and how the ocean works. Scientists will explore ocean currents, animal biology, and more!

Ages 5 - 7 | 9am-3pm | June 8-12

Ages 8 - 11 | 9am-3pm | June 22-26

Pricing per week: Members \$195 | Non-Members \$230

Junior Explorers Half Day

Get ready to get salty! We will explore different animal groups with hands-on activities, games, and crafts. We'll go dipnetting, walk our nature trail, and take a field trip to the beach, so join the fun!

Ages 5 - 6 | 9am-12pm | July 27-31

Pricing per week: Members \$145 | Non-Members \$170
