

## 3<sup>rd</sup> Annual - Pull for the River Sporting Clays Fun Shoot

Friday, February 8, 2019  
South Florida Shooting Club  
Palm City, FL

Please join us to shoot in support of Florida Oceanographic Society's efforts advocating for protecting and enhancing our coastal environment.

The harmful discharges into our local waterways resulting in toxic algae are just another rainy season away. We need your help to continue to educate and inform our community about the loss of our coastal habitat and to seek solutions to protect and restore our estuary.

Florida Oceanographic Society is a non-profit organization founded in 1964 with the mission to inspire environmental stewardship of Florida's coastal ecosystems through education, research and advocacy.

Your support of this event will be an investment in Florida Oceanographic Society's mission to enhance our coastal environment. Funds raised will support advocacy for reducing harmful discharges to our river, education programs to inform the next generation and the public, as well as ongoing research efforts towards seagrass and oyster restoration.

To find out more about Florida Oceanographic Society's Sporting Clays Fun Shoot or other programs, please contact Michelle Byriel at (772) 225-0505 ext. 104 or at [mbyriel@floridaocean.org](mailto:mbyriel@floridaocean.org).
