

Coastal Discovery Half-Day Summer Camp 2020

Discover the wonders of Hutchinson Island, a barrier island located between America's most bio-diverse estuary, the Indian River Lagoon, and the Atlantic Ocean. Campers will experience a variety of aquatic and terrestrial ecosystems, conduct fun and relevant science experiments, and interact with Florida Oceanographic's wide array of live marine animals. Instruction and activities will focus on conservation of natural habitats by learning about a variety of plant and animal species. These daily hands-on, feet-wet experiences are designed to inspire curiosity and creativity.

Junior Explorers *Half-Day Camp*

Get ready to get salty! Learn about the plants and meet the animals that call our Coastal Center and local waterways home. Get up-close and personal as we explore each animal group and their unique characteristics with hands-on activities, outdoor games, and crafts. We'll go dipnetting, walk our nature trail, and take a field trip to the beach. Join the fun!
